To Our Patrons,

Like so many Americans, we have had to adjust our daily routines. Bristol Oaks wants to insure all our guests that we are taking all necessary precautions to keep everyone safe. Our team has excessively sanitized all areas of the club to help better serve our guests. Following the new state ordinance : **FOOD AND BEVERAGE OUTLETS WILL BE CLOSED UNTIL FURTHER NOTICE** . This includes our Friday Fish Fry, and all Private Events that were planned at our club during the next couple weeks. We will monitor the situation and decide for our Easter Brunch as soon as we can.

Golf is more than just a game; it is an escape from reality. At this time our course will **REMAIN OPEN** for all of us to practice social distancing safely all while taking in some fresh air. We ask that only healthy individuals enter the golf shop on a single basis. If you are uncomfortable to enter you may purchase your round on our website www.bristoloaks.com. Please follow these healthy practices while at Bristol Oaks.

- Wash your hands whenever possible and use hand sanitizer regularly
- Please play with the flagstick in and clean bunkers with your feet opposed to the rakes.
- Practice social distancing with your playing partners, don't shake hands, high five or touch each other's equipment.
- Do not use the ball washers located on tee boxes.

We thank you for understanding and for your continued support. We hope to see you out here playing golf and practicing social distancing the way the golf gods would.

Fairways and greens,

Daniel Plens
GM/Head Golf Professional
